

Things are back up and running in the McKellar Township Public Library for 2023. We look forward to serving our community in 2023.

This year, the library will be supporting the 150<sup>th</sup> Sesquicentennial Committee in many ways:

We have the 150<sup>th</sup> flags available for purchase at the library. Proudly fly your 150<sup>th</sup> flag this year!

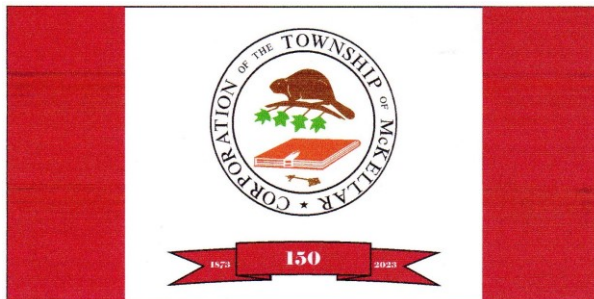

150<sup>th</sup> McKellar calendars are available for purchase at the library.

The staff of the McKellar Public Library are committed to help in any way possible with events celebrating our 150<sup>th</sup> year as a township.

The brochure outlining this year's celebrative events can also be found at the front desk in the library.

Read about our township's history: We have a wonderful selection of historical books all about our township and the surrounding areas. These books are informative and entertaining.

If you are a taxpayer to McKellar, you are entitled to a library card. Be sure to get your card this year!

The McKellar Township Public Library is celebrating the 150<sup>th</sup> anniversary of our township by compiling stories about McKellar from our seasonal and fulltime residents into a book.

We are hoping to have the book available for purchase this July. Please be sure to sign-up for your copy at the library.

The McKellar Market will be up and running once again this July. Don't miss this popular market. Especially during this very important milestone year.

Be sure to visit the Manitouwabing Lake Community Association's table for information about the area as well as upcoming events at the library. The MLCA has once again generously offered to share their table at the market with the library. A huge thank you to the MLCA for their commitment to our community.
