THE INSIDE STORY

This year, McKellar Public Library has published a new book titled “Celebrating McKellar...by the People of McKellar” to commemorate our 150th year as a township. This book is a compilation of stories, poems and even a few recipes from residents and cottagers of McKellar. Be sure to get your copy. \$28.00

WHAT’S NEW...

Broadbent and Blackwater Roads now have two beautiful “McKellar Corner Libraries”

A huge thanks to Ken Thompson for designing and building our gorgeous corner libraries. With the help of the Roads Department and Don Campbell, the libraries were installed just in time for the beginning of the school year.

The McKellar Library is grateful to Lorrie Taylor for volunteering her talent, her energy and her time to offer a weekly craft group for children throughout the summer. We had 143 participants. We also were grateful to Leo and Isabelle, who earned some of their high school community credit hours by helping us with this program.

Volunteers make things happen! If you are interested in volunteering your time and/or your talent to the library, please contact us at 705 389-2611

The McKellar Library Board is seeking new board members. Contact us at 705 389-2611 for more information.
