The clinic's experienced staff will provide an overview of the importance of having a will and power of attorney, and will answer questions and address common concerns.

The seminar is a drop-in event, and no registration is required. Don't miss this opportunity to learn about your rights and responsibilities regarding wills and powers of attorney.

Participants will learn the art of hand embroidery on decorative cards, perfect for creating personalized gifts or home decor. Register for the workshop by phone, email, or in-person at the library.

LIBRARY UNVEILS NEW HALLOWEEN EVENT: MONSTER MASH DANCE

In a bid to add a little more magic to the fall season, the library is introducing the Monster Mash Dance, a brand-new event for children 12 and under. Scheduled for Saturday, October 25th—the same night as the township's Trick or Trunk event—between 4 and 6 p.m. this spooky gathering invites young patrons to dress in costumes inspired by characters from books. A costume contest will be held to celebrate the most imaginative outfits. The library hopes to make this a new annual tradition for the spooky season.

INTERLIBRARY LOAN SERVICES GET PUT ON HOLD

Due to the ongoing Canada Post strike, the library is currently unable to fulfill Interlibrary Loan (ILL) requests for patrons. This disruption has affected our ability to receive and send materials between libraries across the province.

We understand the inconvenience this may cause and ask for your patience and understanding during this time. We are closely monitoring the situation and will resume ILL services as soon as possible. Thank you for your continued support.
